### About the Marshfield St. Patrick's Day 5k

The annual Marshfield St. Patrick's Day 5k run/walk supports the [Marshfield Education Foundation \(MEF\)](#), which provides opportunities for enhanced learning by working in partnership with Marshfield's teachers to fund grants that complement the social, emotional, and academic development of our students. Through the generous support of the Marshfield community, the MEF has been able to support many innovative and creative programs in coding and robotics, reading and literacy, performing and visual arts, virtual reality, and CAD design, physical fitness, outdoor classrooms.
